### **Sugata Mitra**

Speaking at LIFT 2007, Sugata Mitra talks about his Hole in the Wall project. Sugata Mitra's "Hole in the Wall" experiments have shown that, in the absence of supervision or formal teaching, children can teach themselves and each other, if they're motivated by curiosity.

### **Linux Journal**

UK educator Greg Whitby explores the mismatch between student learning in the 21st Century and teacher's teaching in the 21st Century in this short YouTube video.

Introduction to Technology and 21st Century Learning

This video preview provides interesting information from the UK and US on the impact technology on learning: <http://vimeo.com/12635794>

These TED talks by Sir Ken Robinson are both entertaining and provocative:
