<b>(MAP)LE</b>	Pre Calculus 12	Chemistry 12
<b>(HAW)THORN</b>	Social Justice 12	Photography 12

## Grade 11, 12 Term One Schedule

*As of September 1, subject to change*

The courses (left) are intended to be pairings (where the student would take both courses as a learning group) and were developed through primary course requests.

Courses outside these offerings may be available in a later term or online. A mini course-request will occur to determine offerings based on requests and availability.

Students may opt for one of the courses to be through Brooks Online should it meet their individual learning plan.

# Brooks Secondary: 2020-2021 Plan

## Grade 10 Yearlong Schedule

*As of September 1, subject to change*

The Grade 10 course offerings were built around primary course requests for the following:

- English Language Arts 10 pairing (Literary Studies & Composition)
- Social Studies 10
- Mathematics 10 (choice)
- Science 10
- Physical & Health Education 10
- Arts Education (Media Arts 10)
- Applied Design, Skills and Technology (Foods 10)
- French 10 (option)
- French Immersion stream
- Francophone stream

Learning groups are developed (based on some choices, including Math, French) and a pre-determined path for courses was developed (below) to maintain learning groups.
