

School District #47
2022

**SD47 Childhood Educators are offering
A TWO-WEEK PRE-K PROGRAM**

(four-two hour sessions)

The School District is pleased that COVID-19 restrictions have eased and programs in schools can again be offered to families who are starting their school journey with children starting kindergarten in September.

Ready, Set, Learn offers a mini school day to introduce children to the school environment. The PRE-K program expands on the Ready, Set, Learn mini school day.

The PRE-K program is offered to children starting kindergarten in September 2022. It is a licensed program where children attend without their parents. It runs for two weeks, twice per week, for two hours in the afternoon.

This play-based program provides an opportunity for children to:

- experience a group setting like they would experience in kindergarten
- experience routines like they would experience in kindergarten
- experience independence within a group
- advocate for self within a group

The PRE-K program will also provide an opportunity for children and families to develop comfort in their new role in the school environment.

Registration is required to attend this program.

If you need transportation assistance for your child to attend the program please email: rita.john@sd47.bc.ca.

REGISTER BY EMAIL: antonietta.burnett@sd47.bc.ca
REGISTER IN PERSON: 4351 Ontario Avenue (School Board Office)
Register by May 11, 2022.
