Please refer to our [request forms](#) or contact program manager melanie.gosselin@sd47.bc.ca or info@auditoryoutreach.ca with any questions regarding equipment availability, requests, exchanges, upgrades, or for items not listed.

Auditory Outreach is pleased to be able to announce full availability of digital (Roger) receivers in our loan bank.

For equipment loans currently providing students with FM receivers (e.g. MLxi), if the need for an upgrade to digital receivers is determined by the audiologist, school/ district, and family, a request will include:

1. A completed [Equipment Exchange](#) request form with authorizing signatures from audiologist and school/ district
2. The most recent audiology report (within approx. one year)

Please note, with the manufacturer's discontinuation of the Roger inspiro, the Roger Touchscreen will be available for [new requests](#), and when the current transmitter is unavailable to replace an allocated transmitter, eg. [technical service](#)*. *Please note, the Roger Touchscreen is unavailable as an upgrade request.*

*CI/ BAHA students.

**Discontinued by manufacturer. May be available upon special request, as stock permits.

***Select Oticon users.
