THUNDERBIRD HAPPENINGS:

- **Remembrance Day Assembly** – Thank you to our student emcees, speakers, our choir and band for making our Remembrance Day Assembly so meaningful last week. It was also great to see how many of our students helped with set up and take down. It is an important annual event for our school and we appreciate the time that people put in to make it happen.
- **Term #2 X-Blocks** – begin on Wednesday. Make sure you know where you are going and what you need prior to that.
- **Stu Cru & Brooks Cru Events** – are holding a Pajama Day this Friday Nov. 18th. Sleep-in and stay comfy all day. The following week on Wednesday Nov. 23rd they are holding a ‘Selfie Contest’ at lunch time. Look at the ads around school for more details.
- **Open Centre Adjustments** – we have been listening to feedback from students and are working to make some adjustments to the way some of our Open Centres are currently operating. For example, we are hearing that the STEM Centre is too busy at various times during the week. We also have looked at data and see the Humanities Centre is not as busy. We are pleased that the Online Centre is getting more use by our senior students. Adjustments are also being looked at for who can access the Library at different times during the day. The Open Centres are crucial for student success. If you have yet to provide feedback, please let Mr. Burt, Ms. Kennedy, Ms. Gunn or your teachers know your ideas. Changes will be coming soon.

- **Auto Dialer and Reporting Student Absences** – A reminder to students that our StudentConnects system is up and running. If you are absent from a class the system will automatically contact parents’ home phone, cell phone or email address.

COMING EVENTS
