THUNDERBIRD DROPPINGS:

- Advice for Grade 12 Students from a Former Student: Former student, Leah Camenzind, wrote a blog post with tips for Powell River Grade 12 students. It can be accessed here: <http://powtownpost.com/author/leahcamenzind>. There is some great information in there that our senior students may be interested in!
- **Stu Crew** - What is Stu Crew and what does it do? Stew Cru is essentially a student leadership group at Brooks that does amazing things for our students. For example they organize: spirit days, student activities, dances, contests and more! It is a fun group and students in Grades 8 -12 can join. If you want to be involved in creating a fun atmosphere and Brooks attend a meeting! Stu Crew meets on Thursdays at lunch in room E02/E03. Please see Ms. Ellis for more details.
- **Open Centre Expectations** – a reminder to students in Grades 10, 11 and 12 that Open Centres are not 'free blocks' they are the same as your regular classes. The expectation is that you arrive to a Centre on time and you remain there for the duration of the class. If you need to use the washroom or need to leave the class you need signed permission from one of the teachers in your Centre. If a student decides to skip an Open Centre, the consequences will be the same as skipping a class. Students can only work in the cafeteria if a teacher has assigned them there.

- **Peer Tutoring** – Peer Tutoring is set to go on Tuesdays and Thursdays in Room C123. This is an excellent opportunity to get support in some of the subjects that you need extra help with. Ms. Bakker organizes the program and is still looking for students to be tutors and yes, tutors get paid! Please check it out and if you have any questions see Ms. Bakker.
- **Lunchtime Intramurals** – Just a reminder to all students that the gym is open at lunch for intramurals. Mr. Rice has a variety of activities going on throughout the week. Check it out if you haven't already.
