### MESSAGE FROM THE PRINCIPAL

Hello, bonjour, čěčhaθeč parents and guardians. Looking back at last week we hosted our first whole school dance in almost three years. I was so impressed with not just the positive energy and behaviour at the event. I want to send my sincere thanks to Stu Crew students along with all the staff that supported the evening. Looking ahead to this week, a reminder that we have the final Professional Development Day of the year. If you're counting, you already know that we have only three weeks of regular classes left in the school year. This also leads us into a busy portion of the school year that is often highlighted with celebrations of learning and final projects. Speaking of celebrations, I'm looking forward to Thursday evening's year end music concert. Reminder as well, next week will be the final opportunity this school year to write any of the three Provincial assessments. Have a wonderful week!
